

Commercial/Industrial Committee

Statement of Purpose: The Commercial/Industrial Committee reports to the Executive Committee and its primary purpose is to monitor the issues/trends that affect commercial (non-residential) practitioners and implement programs and services that will enable commercial practitioners to better serve their clients.

List of Programs:

- Roster of Commercial Members
- Commercial Web Site
- Commercial Information Exchange
- Provide C/I continuing education and publish (provide a clearinghouse via internet) a list of all C/I courses being put on by the major metro Boards.
- Offer more CI education programming at OAR meetings

Yearly Objectives

- Bring in speakers at each meeting to cover key topics
Winter Conference – invite Catylist speaker
- Encourage conducting education programs/forums on challenges facing the CI market
- Update CI Roster
