

Legislative Steering Committee

Statement of Purpose: The Legislative Steering Committee reports to the Enlarged Legislative Committee and Executive Committee. The Legislative Steering Committee is appointed annually and consists of the Chairman, Vice Chairman and 21 members. Its primary purpose is to review current legislation and make position recommendations thereon.

List of Programs

- Consult OAR Legal Counsel for Amendments, Research and Analysis
- Monitor Legislation
- Recommend Positions on Public Policy
- Monitor the state budget projections and anticipate any subsequent legislative responses as necessary

Strategic Plan Objectives

- Review New Bills (*Staff/Legislative Steering*)
- Address the following specific issues: (*Legislative Steering*)
- Have REALTOR Representatives on external task forces, study groups, etc., considering or writing legislation
- Target local legislative chairmen for participants
- Target local EO for participants
- Renewed interest generation
- Communicate to the full membership all bills introduced in the General Assembly
- Utilize Rotunda Connection for communicating key legislative information
