

Local Government Forum

Statement of Purpose: The Local Government Forum reports to the Executive Committee. Its purpose is to foster discussion and create greater awareness of issues affecting real estate involving local units of government, including cities, counties and townships. Forums shall allow members to share and seek information on local governmental trends and generally discuss local problems. Forums may include speakers who are able to convey information on pertinent local issues, as well as open discussion by attendees. Forums will meet as needed during the Association's Tri-Annual Meetings. Recommendations approved by Forum attendees may be presented for consideration by the Executive Committee.

List of Programs

- Local Government Forums open to the membership
- Conduct Liaison Meetings with Local Government Associations When Necessary
- Publicize local legislative issues in the OHIO REALTOR®

Strategic Plan Objectives

- Conduct periodic surveys of members and Boards (*Staff/Local Government Forum*)
- Create and maintain database of local legislative issues and outcomes (*Staff/Local Government Forum*).
