

Professional Development Forum

Statement of Purpose: The Professional Development Forum reports to the Executive Committee. Its purpose is to facilitate discussion, awareness and understanding by Board leaders and the general membership of educational programs and activities offered by the Association and other providers in Ohio. The forum shall allow participants to share and seek information, offer suggestions to other participants and the Association and generally assist in identifying the educational needs of Real estate professionals. Forums may include speakers who are able to convey information on professional development programs, as well as open discussion by attendees. Forums may be held at the Winter Conferences, Spring Conferences. Recommendations approved by Forum attendees may be submitted for consideration to the Executive Committee.

List of Programs:

Professional Development Forums open to the membership.

Yearly Objectives:

- FHA Updates – Policies & Procedures
- Social Media (Managing the Risks and Liabilities)
- Creating awareness of NAR designation and certification offerings (increase earnings in a down market)
