

Economic Issues & Trends Forum

Statement of Purpose: The Economic Issues & Trends Forum reports to the Executive Committee. Its purpose is to increase member awareness and understanding of economic forces and trends affecting the real estate industry. Forums may include speakers who have expertise in this area and are able to communicate current issues to the membership. Forums shall be scheduled at the Winter and Spring Conferences.

List of Programs:

- Economic Issues & Trends Forums open to the membership.
- “Lunch Box” Economics

Yearly Objectives

Winter conference

•Winter Conference: Lawrence Yun or if he is not available then we will invite Paul Bishop. In the event that neither of them is available then it was suggested John Augustine come.

Spring Conference

•Spring Conference: Assuming John Augustine does not come to Winter Conference then it was suggested the we invite him to the Spring Conference or have a Federal Reserve Representative speak. It was also suggested to make the Spring Conference forum count towards CE.
