

As a leading force in our nation's public policy debates the REALTOR® Party has Republicans, Democrats and Independents alike.

The REALTORS® Political Action Committee (RPAC) is the only political action committee in the country dedicated to furthering the real estate industry.

Since its inception almost forty years ago, RPAC has worked to ensure that the real estate industry speaks with a unified voice, and continues to provide you with an influential political presence in our nation's capital, state legislatures and city halls.

RPAC is your resource

The Question is... Are you concerned about the following issues?

- Creating Affordable Housing Opportunities
- Protecting Consumers in the Real Estate Transaction
- Enacting Health Care Insurance Legislation
- Protecting your Commissions and Other Real Estate-Related Services from the Ohio Sales Tax
- A Statewide Transfer Tax on the Conveyance of Real Property
- Maintaining a Business Environment that is Conducive to the Real Estate Profession
- Pass Minimum Services Legislation Touted as a National Model by Federal Regulators
- Ensuring Ohio's Commercial Activity Tax Does Not Subject Brokerages to Double Taxation
- Finding a Sensible Solution to the Issue of Eminent Domain and Other Land Use Policies

The Ohio Association of REALTORS legislative advocacy program is one of the most respected and effective in the Buckeye State because of the tremendous grassroots and support members provide to Ohio RPAC

What we need now is your support.

As important as it is to be involved in your local community, it's equally important that we, as REALTORS®, are involved at the state and federal levels of government as well.

By participating in RPAC, your voice is heard collectively with hundreds of thousands of your colleagues across the country. RPAC provides you a seat at the table. If you don't get involved, you may face the prospect of bad legislation or a new set of crippling regulations.

Let's face it

Advocacy is not just having the "right" position on issues; it's having the proper resources to deliver our message and tell our story.

RPAC is that resource!

Your Best Investment in Real Estate

Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may refuse to contribute without reprisal and the National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal, 30% is sent to the National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after the state PAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.
